**CANDIDATE'S AFFIDAVIT**

COMMONWEALTH OF PENNSYLVANIA

COUNTY OF ERIE

2025 MAR 10 AM 9:36

**CANDIDATE AFFIDAVIT** - I do swear (or affirm) that my residence, my election district and the title of the office for which I desire to be a candidate are as specified above, that I am eligible for said office, that I will not knowingly violate any election law or any law regulating and limiting nomination and election expenses, and prohibiting corrupt practices in connection therewith; that I am aware of the provisions of Section 1626 of the PENNSYLVANIA ELECTION CODE requiring pre-election and post-election reporting of campaign contributions and expenditures; that unless I am a candidate for Judge of a Court of Common Pleas, the Philadelphia Municipal Court or the office of school board in a district where that office is elective or the office of magisterial district judge, my name has not been presented as a candidate by nomination petitions of any other party for the same office; that if I am a candidate for any office of a political party I am a registered and enrolled member of such party; that if I am a candidate for Committee Delegate or Alternate Delegate to the National Convention the name of the candidate to whom I am committed is as indicated on my nomination petition and that my signature on the Delegate's Statement was affixed to each page of my nomination petition prior to circulation of same; that I am not a candidate for an office which I already hold, the term of which is not set to expire on the same year as the office subject to this affidavit.

I swear (or affirm) to the above parts as required by the laws applicable to the office I seek.

# THE HISTORY OF THE

REPUBLIC OF THE UNITED STATES

The history of the Republic of the United States is a story of growth and progress. From the first settlers to the present day, the nation has expanded its territory and its influence. The early years were marked by exploration and discovery, as brave men and women sought new lands and resources. The American Revolution was a turning point, as the colonies declared their independence from Britain and established a new form of government. The years following the Revolution were a time of rapid growth and development, as the nation expanded westward and its economy flourished. The Civil War was a period of great struggle and sacrifice, as the nation fought to preserve its unity and freedom. The Reconstruction era was a time of rebuilding and progress, as the nation sought to heal the wounds of war and create a more just and equal society. The years since the Civil War have been a time of continued growth and progress, as the nation has expanded its territory and its influence, and its people have made great achievements in science, technology, and the arts.

## CHAPTER I

THE EARLY YEARS

The early years of the Republic of the United States were a time of exploration and discovery. The first settlers came to the New World in search of new lands and resources. They found a land of great beauty and potential, and they began to build a new life for themselves. The early years were marked by hardship and struggle, as the settlers fought to survive in a new and unfamiliar land. Despite the challenges, the settlers persevered, and they laid the foundation for a new nation. The American Revolution was a turning point in the nation's history, as the colonies declared their independence from Britain and established a new form of government. The years following the Revolution were a time of rapid growth and development, as the nation expanded its territory and its influence. The Civil War was a period of great struggle and sacrifice, as the nation fought to preserve its unity and freedom. The Reconstruction era was a time of rebuilding and progress, as the nation sought to heal the wounds of war and create a more just and equal society. The years since the Civil War have been a time of continued growth and progress, as the nation has expanded its territory and its influence, and its people have made great achievements in science, technology, and the arts.

## CHAPTER II

THE AMERICAN REVOLUTION

The American Revolution was a period of great struggle and sacrifice. The colonies declared their independence from Britain and established a new form of government. The years following the Revolution were a time of rapid growth and development, as the nation expanded its territory and its influence. The Civil War was a period of great struggle and sacrifice, as the nation fought to preserve its unity and freedom. The Reconstruction era was a time of rebuilding and progress, as the nation sought to heal the wounds of war and create a more just and equal society. The years since the Civil War have been a time of continued growth and progress, as the nation has expanded its territory and its influence, and its people have made great achievements in science, technology, and the arts.

The years since the Civil War have been a time of continued growth and progress. The nation has expanded its territory and its influence, and its people have made great achievements in science, technology, and the arts. The American Revolution was a turning point in the nation's history, as the colonies declared their independence from Britain and established a new form of government. The years following the Revolution were a time of rapid growth and development, as the nation expanded its territory and its influence. The Civil War was a period of great struggle and sacrifice, as the nation fought to preserve its unity and freedom.
