^Reported cases with CDC-defined case classification status

^^Reported cases with PA DOH-defined case classification status

*Only residents of Erie County are included in the Erie County count

**Age <6 and blood lead levels >=15µg

Case counts for the United States do not include dependent areas with the exception of HIV and AIDS

Rate per 100,000 population; Previous year pop. used for Erie County calculations; Current year pop. used for PA calculations; Current year pop. used for U.S. calculations
