## **Erie County subcommittee plans first meeting to address emergency services challenges**

Erie, PA – Erie County will host the first meeting of the Recruitment and Retention Subcommittee on Monday, November 5, from 3:30 to 5 p.m., at the Erie County Department of Public Safety, 2880 Flower Road.

The subcommittee was formed earlier this year, under the auspices of the Erie County Public Safety Advisory Committee, in response to the decline in emergency service personnel across the county. The subcommittee is tasked with identifying the problem and searching for viable solutions.

The subcommittee consists of 15 appointed members, representing both emergency services and municipalities across Erie County. Representatives from the Public Safety Advisory Committee and the Erie Area Council of Governments will serve as ex-officio members.
