Registration open for Erie County LGBTQ+ Health Provider Symposium

Erie, PA –The Erie County Department of Health, in partnership with Transfamily and UPMC Hamot, will present the 2019 Erie LGBTQ+ Health Provider Symposium on Friday, May 31.

The event will take place from 8 a.m. to 2:45 p.m. at the Ambassador Center, 7794 Peach St., and will offer continuing education credits for doctors, registered nurses, social workers and other licensed medical staff.

The conference was driven by the Northwest Pennsylvania LGBTQ+ Health Needs Assessment completed in the Erie region. Main topics of discussions will include LGBTQ+ cultural competency, trauma and behavioral health risks, pediatric urology, PrEP and PEP, STI guidelines, tobacco cessation and basics of psychiatric support for the LGBTQ+ population.

Please visit <https://ccehs.upmc.com> and click the upcoming events tab to register and get additional information.
