Lifetime dog licenses are valid for the life of your dog. Your dog must be either tattooed or microchipped for a permanent ID. If you wish to purchase a lifetime dog license, please follow these simple steps.

1. Complete and sign Dog License Application and mail along with your check or money order.
2. Microchip- Most Veterinarians have the Permanent Identification Verification form that they complete when they implant/scan the microchip. If your veterinarian does not have this form, you must obtain it from the County Treasurers Office and have it completed by the veterinarian.
3. You must obtain a license within 30 days of the chip date.
4. If you have more than one dog, please print an application for each pet.
5. If you wish to apply by mail, please complete and return the application with the proper license fee.
