

Erie County Resource Request Flow

Disaster strikes or is eminent

Fire, EMS, Police, public works, etc. have unmet need(s)

Notifies Municipal EOC and/or EMC

Municipal EOC collects specific details of the need, logs request, and looks for resource locally. If unable to obtain locally submit to County EOC

Resource Request form or Knowledge Center request

FEMA Coordinates with federal organizations and task them with missions utilizing federal resources. Provides PEMA with specific details

Offers go back to PEMA

EMAC sends request to States for assistance.

Offers go back to PEMA

Information Goes Back to County EOC, municipal EOC and/or original requesting entity

County EOC looks for needed resources in the County and regionally. Triage resources request based on "doing the greatest good for the greatest number of people". Acts on KC request. If request cannot be filled with resources from County or NW PA ERG request is sent to PEMA/SEOC

Via Resource Request Form

SEOC Looks for resource in other counties or within in State's Departments/National Guard, etc. If the resource cannot be found within the state SEOC looks to Federal Government or EMAC
