Dahlkemper issues statement after appeal filed for Erie County Community College

Erie, PA – County Executive Kathy Dahlkemper issued the following statement after Sen. Joseph Scarnati III appealed the Erie County Community College:

“I believe this is a waste of tax payer money and am extremely disappointed that Senator Scarnati has chosen to drag this out unnecessarily. A majority of members of the Pennsylvania State Board of Education made the right decision and approved the community college. Senator Scarnati does not represent Erie County, and he is fighting against providing new educational opportunities here as well as our ability to provide a workforce that our economy and employers truly need and deserve. In the meantime, the process of seating a board of trustees will continue.”
