Erie, PA – County Executive Kathy Dahlkemper issued the following statement after Erie County Council voted to appoint the final member of the board of trustees for the Erie County Community College:

“Congratulations to the ninth and final member of the board of trustees, Justin M. Gallagher.

“Now that the full board has officially been seated, they can begin the exciting work of providing educational opportunities for our community and a skilled workforce for our businesses.

“I am confident that we have appointed a solid representation of the Erie County residents – a board diverse in skillset, gender, race, age and geography. This is a group of individuals that is passionate in leading the charge in the establishment of the long-awaited and much-needed community college here in Erie County.”
