

Pennsylvania students are required to be up to date with their vaccinations within two months of the beginning of the school year. Start the school year off right! It's worth a shot to know that you child is protected from contagious diseases.

Don't get caught without your shots!

**Protected Together-
Vaccines Work**

***Get immunized!
Immunizations are
for all ages.***

• Flu • Polio • HPV • HIB • Hepatitis • Meningococcal • Zoster • DTaP
• Tdap • MMR • Varicella • Pneumococcal • Rotavirus
