Erie County Courthouse will close to public Nov. 30, with exception of President Judge Trucilla's Supplemental Emergency Judicial Order

Erie, PA – As a result of the recent increase in COVID-19 cases throughout Erie County, the Erie County Courthouse will be closed to the public, effective Monday, Nov. 30, 2020, through Monday, Jan. 4, 2021, with the exception of the Supplemental Emergency Judicial Order issued by President Judge Trucilla: <https://eriecountypa.gov/wp-content/uploads/2020/11/supplemental-emergency-judicial-ordersecond.11.24.20.pdf>.

County Executive Kathy Dahlkemper and her administration have worked in collaboration with President Judge Trucilla and court administration to implement the changes at the courthouse.

“As a precaution, the administration feels that with the increase in positive cases of COVID-19, it is best to be proactive in limiting entry into the courthouse to keep employees and the public safe,” said Erie County Director of Administration Gary N. Lee. “We greatly appreciate the understanding of the public as we continue to navigate in this challenging time.”

The public is encouraged to check www.eriecountypa.gov for further updates.
