Erie County Courthouse extends limited closure to public through Jan. 31

Erie, PA – As a result of the continued increase in COVID-19 cases throughout Erie County, the Erie County Courthouse will remain partially closed to the public through Sunday, Jan. 31, 2021.

President Judge Trucilla issued this supplemental emergency judicial order today:

County Executive Kathy Dahlkemper and her administration continue to work with President Judge Trucilla and court administration to assess COVID-19 safety protocols at the courthouse.

“The safety of the public as well as county employees is our priority,” said Erie County Director of Administration Gary N. Lee. “The administration stands with the court administration in believing the current and predicted increase of positive cases of COVID-19 is significant enough to continue limiting entry into the courthouse. We appreciate the patience and understanding of the public and urge everyone to continue following the guidelines of wearing masks, keeping a 6-foot distance from others, washing hands frequently, limiting gatherings and staying home when feeling ill.”

The public is encouraged to check www.eriecountypa.gov for further updates.
