Erie County reports 28 new positive cases of COVID-19; cumulative case total is 20,975

Erie, PA — County Executive Kathy Dahlkemper and Erie County Department of Health announce 28 new positive cases of COVID-19 have been reported in Erie County as of 11:59 p.m. on May 27.

The total cumulative cases of COVID-19 in Erie County since March 2020 is 20,975 with 469 deaths in the National Electronic Disease Surveillance System (NEDSS). This information can be found on the "[Positive Cases in Erie County](#)" page at eriecountypa.gov.

The Erie County Department of Health reminds the public that unvaccinated community members risk contracting COVID-19 and, if positive for it and even without exhibiting symptoms, can infect their less healthy and under-immunized loved ones.

Being tested can help determine if someone is positive for COVID-19. There are free testing clinics next week open to the public. No insurance is needed and walk-ins are welcome.

- June 3 Thursday 4 p.m to 8 p.m. at Mercyhurst North East, 16 West Division St., North East
- June 5 Saturday 10 a.m. to 2 p.m. at Presque Isle Downs & Casino, 8199 Perry Highway, Erie

All unvaccinated residents are reminded to wear a mask that covers their nose and mouth when near anyone who does not live inside their home, keep a 6-foot distance from others, stay home when feeling ill, wash hands frequently, and limit activities outside of their homes.

All questions related to COVID-19 may be directed to Erie County Department of Health at 814-451-6700 or ecdinfo@eriecountypa.gov.
