## Erie County reports 5 new positive cases of COVID-19; 1 additional death

Erie, PA — County Executive Kathy Dahlkemper and Erie County Department of Health announce five new positive cases of COVID-19 and one additional death have been reported in Erie County as of 11:59 p.m. on June 6.

Data from the weekend:

Day	Positive cases reported
11:59 p.m. on June 5	16
11:59 p.m. on June 4	7

The total cumulative cases of COVID-19 in Erie County since March 2020 is 21,121, with 472 total deaths, as reported in the National Electronic Disease Surveillance System (NEDSS). This information can be found at [eriecountypa.gov](http://eriecountypa.gov).

The Erie County Department of Health reminds the public that unvaccinated community members risk contracting COVID-19 and, if positive for it and even without exhibiting symptoms, can infect their less healthy and under-immunized loved ones.

Being tested can help determine if someone is positive for COVID-19. Free testing clinics are available and open to the public this week. No insurance is needed and walk-ins are welcome.

- Thursday, June 10: 4 p.m. to 8 p.m. at Corry Walmart, 961 E. Columbus Ave.
- Saturday, June 12: 10 a.m. to 2 p.m. at Harbor Creek Jr. High, 6375 Buffalo Road

All unvaccinated residents are reminded to wear a mask that covers their nose and mouth when near anyone who does not live inside their home, keep a six-foot distance from others, stay home when feeling ill, wash hands frequently, and limit activities outside of their homes.

All questions related to COVID-19 may be directed to Erie County Department of Health at 814-451-6700 or [ecdinfo@eriecountypa.gov](mailto:ecdinfo@eriecountypa.gov).
