Iroquois Library partially closed Oct. 1

Erie, PA –The Iroquois Avenue Branch Library will be closed for a partial day on Friday, Oct. 1 due to scheduled water line repairs. Erie Water Works has advised that the work is expected to be completed by noon.

The initial cause of the scheduled repairs was a water main break on Sept. 29, which forced an emergency closure to the Iroquois Avenue Branch Library that afternoon. Any changes to the opening time or operations for the day will be announced on the library's Facebook page @ErieLibrary.
