Title: Central Bayfront Parkway Multimodal

Improvement Type: Safety Improvement

State Route: 4034

Municipality: Erie (CITY)

Air Quality Status: Significant: Included in regional conformity analysis

Actual Construction Bid Date:

Estimated Construction Bid Date: 9/29/2022

Location: The Bayfront Parkway SR 4034

**Project Description:** This project is a direct result of the Erie Bayfront Parkway study. This Multimodal/Congestion Reduction/Safety Improvement project will be on the Bayfront Parkway (SR 4034) and will improve safety and access for pedestrian, bicycle, and vehicular traffic. This project will include a potential realignment or roundabout at the State Street/Bayfront Intersection, the Holland and Bayfront Intersection, and the intersection of Sassafra and the Bayfront. Enhanced pedestrian improvements including crosswalks, signage, push buttons (eleven signalized intersections), possible pedestrian bridges, refuge islands in the medians, bump-outs, transit pull-offs and roadway narrowing.
