ERIE COUNTY EXECUTIVE TO LAUNCH WEB PORTAL FOR BOARDS, AUTHORITIES, AND COMMISSIONS APPOINTMENTS

ERIE, PA – Erie County Executive Brenton Davis is set to launch a new appointed service portal on the County website (Eriecountypa.gov) that will allow any interested candidate to send in their resume and apply for an open seat on a board, authority, and commission.

This new portal was created to help compile a list of all interested candidates when a board, authority or commission seat opens. Once on the page, candidates can fill out the virtual form and attach a copy of their resume for review. The applications will not expire so as new seats open up, your application can be reviewed again.

“This new portal will allow any interested citizen to get their name in the conversation. Too often, it is always the same people appointed to multiple boards throughout the community. This new addition will help curb that and help attract new fresher faces and ideas on our County boards, authorities, and commissions,” said Erie County Executive Brenton Davis.

The launch date of the application portal is set for tomorrow December 6, 2022. Once live, it can be found on our website under County Highlights/Appointed Service Portal.
