### **ERIE COUNTY PUBLIC LIBRARY EXPANDS BOOKMOBILE SERVICE STOPS**

**Erie, PA** – The Erie County Public Library will serve additional stops on its Bookmobile route. Newly added stops include:

- Erie Heights, a housing complex operated by Housing Authority of the City of Erie, located at 4024 Garden Ave., Erie, Pa.
- John E. Horan Garden Apartments, a housing complex operated by Housing Authority of the City of Erie, located at 2110 E. 10 St., Erie, Pa.
- Country Fair, a convenience store centrally located along Route 99 at 9030 Main St., McKean, Pa.
- Grover Cleveland Elementary School, a United Way Community School within Erie’s Public School District, located at 1540 W. 38 St., Erie, Pa.

These new stops align with nearby school dismissal times and aim to connect students, and their families, with library services in the crucial after-school hours.

“We are so pleased to add these two HACE residences to our Bookmobile route,” says Library Director Karen Pierce. “The Bookmobile helps remove barriers between patrons and their library, and is just one of the tools ECPL uses to improve the quality of life for all Erie County residents.”

In addition to these new stops, the Bookmobile will begin offering single site visits on select Thursday mornings beginning March 30. Organizations wishing the Bookmobile to visit their location may apply for an available Thursday timeslot [here](#).

Interested patrons can access the Bookmobile’s complete, biweekly route schedule at <https://events.erialibrary.org/calendar/outreach> to find all stops on its biweekly route. The Bookmobile provides library services, like holds delivery, collection browsing, mobile printing, public Wi-Fi, and access to trained library staff, throughout Erie County.
