NEW ERIE COUNTY VETERANS SERVICES OFFICE TO HOLD OPEN HOUSE

ERIE, PA – Erie County Veterans Services Office is set to hold an open house Wednesday June 28th from 11:00am to 3:30pm. The event will be held at the new location inside the Erie Intermodal Transportation Center, 208 E. Bayfront Parkway, Suite #102.

The event will be open to the public for all to come and see the new office space. This open house is a great way for veterans to get engaged with the Veterans Services Office if you have not already. Staff members will be available to answer any questions you may have.

“The new office has enabled us to expand our overhaul our services to veterans, including providing them with a much more accessible and intimate space,” said Director of Veterans Services Joe Benacci.

The Erie County Department of Veterans Services guides veterans and their families in applying for the benefits they have earned during their service. The benefits that we file on behalf of our veterans and their families represent a small token of our appreciation for the sacrifices they have made for our nation by protecting and defending the many freedoms we all enjoy. Due to the nature and complexity of the forms involved, we offer one-on-one assistance and guidance for all veterans.

The new space will be on display on Wednesday June 28, 2023 from 11:00am until 3:30pm. Refreshments will be provided.
