Welcome to the County of Erie Community Grants application process.

Erie county government recognizes the value in supporting organizations that seek to help the citizens of our county find the resources and support they need to improve and enhance their quality of life. The community benefits from an engaged and responsive network of organizations dedicated to pursuing these goals. This application process will allow county government to understand your vision for a better community and how you plan to achieve it through the awarding of a County of Erie Community Grant. Before you begin the application, please read our Privacy Statement below.

Privacy Statement

The County of Erie is requesting information from your organization for the purpose of evaluating and awarding community grants. The information will be used solely for that purpose. Your information will not be shared with any outside persons, agencies, businesses or organizations except as may be required to comply with the law. This applies to information submitted on paper or electronically.

Goals of Erie County for the Community Grants

- ❖ To support organizations in the community that exist to address the needs of the citizens of Erie County.
- ❖ To provide funding to community organizations that fulfill needs partially or not currently met by other organizations, agencies or government entities.
