UNION CITY BOROUGH TO RECEIVE FUNDING FROM ERIE COUNTY MUNICIPAL GAP AND INFRASTRUCTURE PROGRAM

WHEN/WHERE:

Wednesday, February 28, 2024

11:00 a.m. – Union City Borough
13 S Main Street
Union City, PA 16438

WHAT:

The Erie County Executive will present a check to Lake City Borough as part of the Municipal GAP and Infrastructure Program. This project received \$69,461 from Erie County Municipal GAP Program for the Route 97 Storm water Project.

Existing storm sewers in the northwest area of Union City Borough are not sufficient to carry significant amounts of water from storm events and result in flooding.

This project will reduce flooding in the area by providing additional storm water capacity.
