

An Erie County Resource Guide of Services & Supports Related to:

- ❖ Drug and Alcohol**
- ❖ Early Intervention**
- ❖ Housing**
- ❖ Intellectual and Developmental Differences**
- ❖ Mental Health**

Last Updated: April 2026

If you are looking through the resource guide and not sure if you can receive the services listed, please call:

- ❖ Erie County Care Management's general line at 814-528-0600 or toll free 1-866-720-4825**
- or**
- ❖ Community Care's Member Services line (available 24 hours a day, 7 days a week) at the toll-free number 1-855-224-1777, 1-877-877-3580 (TTY) or 1-866-229-3187 (En Espanol)**

What's inside?

This directory lists the services, organizations and individuals that provide care for Erie County residents enrolled in Medical Assistance and/or eligible for Base Funded services. These services are grouped into DRUG & ALCOHOL, EARLY INTERVENTION, HOUSING, INTELLECTUAL DISABILITIES, MENTAL HEALTH and OTHER. In addition to the service grid, the agencies and individuals providing services are organized alphabetically, with their contact information at the end of this guide. Please note, the provider network can change at any time. Some of these services are based on medical necessity. If interested, those guidelines can be found at www.ccbh.com/providers/phealthchoices/medicalnecessity/

Who can I call?

You can obtain information about these services in several different ways. Someone at each of the numbers below should be able to direct you to the appropriate referral. If ever you are experiencing a crisis, contact Crisis Services at 814-456-2014 or toll free at 1-800-300-9558 or dial 988.

If you have a Medical Assistance Card, it is likely you are eligible for behavioral health services paid by the Erie County HealthChoices services provider, Community Care Behavioral Health (also referred to as Community Care within this document), located at 1314 Griswold Plaza Erie, Pa 16501. **Community Care's Member Services line is available 24 hours a day, 7 days a week at the toll-free number 1-855-224-1777, 1-833-545-9191 (TTY) or 1-866-229-3187 (En Espanol). You can also find them online at www.ccbh.com/healthchoices/memberhandbook/erie/index.php**

If you do not have a Medical Assistance Card, it is likely that your behavioral health services will be coordinated below:

For mental health Base Funded service information and intakes, call **Erie County Care Management's (ECCM) general intake line at 814-528-0600**. ECCM is located at 1601 Sassafras Street Erie, Pa 16501.

For drug and alcohol Base Funded service information and intakes, call **Erie County Office of Drug and Alcohol Abuse at 814-451-6877, TDD Number: 814-451-6886**. Erie County Office of Drug and Alcohol Abuse is located at 240 West 11th Street, Erie, Pa 16501.

Additional helpful numbers and links:

Erie County Office of Mental Health/Intellectual Disabilities ~ 154 W. 9th Street, 4th floor, Erie, Pa 16501 ~ 814-451-6800.

Erie County Office of Children & Youth ~ 154 W. 9th Street, Erie, Pa 16501 ~ 814-451-6600.

INTELLECTUAL DISABILITY SERVICES	DESCRIPTION	ERIE COUNTY PROVIDERS
<p>Agency with Choice</p>	<p>A service delivery option in which individuals with an Intellectual Disability/Autism and/or their family members are able to self-direct their services. This model of services encourages individuals and their advocates to be directly involved in the planning, scheduling, hiring, and management of support workers. A joint relationship is formed between an individual and/or family member with a liaison who provides administrative help to assist in managing services. The goal of this support is to enable families to remain together in their own homes. The program offers many</p>	<ul style="list-style-type: none"> • <u>Barber National Institute</u>

INTELLECTUAL DISABILITY SERVICES	DESCRIPTION	ERIE COUNTY PROVIDERS
	services that individuals and families can choose from including: In Home and Community Support, Companion, Respite, Camps, and Home and Vehicle Adaptations.	
Behavioral Supports	Services that can be provided in instances where an individual is exhibiting behavior that is problematic for them and those they live with, and where other natural or support staff do not have an effective strategy to support the person. Support includes the services of a Behavior Specialist professional to conduct an assessment and develop a Behavior Support Plan. The plan includes strategies to support the person based on the assessment, and interventions and training to the person, staff, and other caregivers.	<ul style="list-style-type: none"> • Barber National Institute • Center for Hearing Deaf Services • Erie Homes for Children and Adults • KaleidAScope, Inc. • Kaleidoscope Family Solutions • Lakeshore Community Services • One Well
Community Participation Supports	“Day services” for adults with Intellectual Disabilities/Autism. The service provides opportunities and support for community inclusion and building interest in and developing skills and potential for competitive integrative employment. Competitive integrative employment refers to full or part time work at minimum wage or higher, with wages and benefits similar to workers without disabilities performing the same work. Services are intended to flexibly wrap around or support community life secondary to employment as a primary goal. This service involves participation in activities in integrated community settings that involve persons without disabilities who are not paid or unpaid caregivers. The service is expected to result in	<ul style="list-style-type: none"> • Barber National Institute • Bayada Home Health Care • Center for Hearing and Deaf Services • Community Resources for Independence • Corry Counseling Services of LECOM Health • Erie Homes for Children and Adults • KaleidAScope, Inc. • Kaleidoscope Family Solutions • Lakeshore Community Services • Supportive Living Services

INTELLECTUAL DISABILITY SERVICES	DESCRIPTION	ERIE COUNTY PROVIDERS
	<p>the person developing and sustaining valued social roles and relationships, building resources and experiences in the community, increasing independence, increasing potential for employment, and experiencing meaningful community participation and inclusion. Services can be provided in facilities or community settings and include supervision, training, and support in communication, self-care, and socialization.</p>	
<p>Companion Services</p>	<p>Direct services provided to individuals with an Intellectual Disability/Autism who live in private homes for the purposes of providing supervision or assistance to ensure health, safety, and welfare, or to perform activities of daily living. This service is intended to assist the person to participate more meaningfully in home and community life and may be provided in both home and community settings. This service is used instead of In Home and Community Support when a habilitative outcomes is not appropriate or feasible (i.e. when the staff providing the service mainly does activities for the participant or supervises the participant versus assisting the participant to learn, enhance, or maintain a skill).</p>	<ul style="list-style-type: none"> • Barber National Institute • Bayada Home Health Care • Community Resources for Independence • Erie Homes for Children and Adults • Freedom Now Home Care • Frontier Home Care • Golden Home Care • Heartfelt Home Healthcare Services • Kaleidoscope Family Services • One Well • Supportive Living Services

	<p>workers without disabilities performing the same work, and fully integrated with coworkers without disabilities. Services include job finding, which are supports directed toward preparing individuals for and obtaining placement in competitive jobs of their choice. Activities and supports include interview skill training, resume preparation, and job searching. Services also include job support, which includes a periodic follow up with individuals and their employers to support them in maintaining competitive jobs in their community through continued training.</p>	
<p>Supports Broker Services</p>	<p>A service that provides assistance to persons with an Intellectual Disability/Autism and their families who choose to self-direct some or all of their services. In order to participate, a person must reside in their own private home or the home of family. The Supports Broker is chosen by the participant and works for them and can assist a participant with the responsibility for managing their services. This range of supports can include: determining what services they want to self-direct, providing support at team meetings, explaining and providing support in completing paperwork, participating in the orientation and training of new support workers, helping to recruit and interview potential staff and determine pay rate, developing staff schedules, and assisting with staff issues if they arise. In addition, the Supports Broker can assist in the identification of community resources to support success with self-direction.</p>	<ul style="list-style-type: none"> • <u>Barber National Institute</u>

INTELLECTUAL DISABILITY SERVICES	DESCRIPTION	ERIE COUNTY PROVIDERS
Supports Coordination	A service that involves helping individuals navigate their way through the Intellectual Disabilities/Autism system. Supports Coordinators work with individuals and families to identify desired life goals and work to find service providers to achieve these outcomes. The services provided involve developing and maintaining an Individual Support Plan (ISP), identifying needed services, and locating qualified providers, locating, and coordinating funding for services, monitoring of services, and ensuring health and safety.	<ul style="list-style-type: none"> • Erie County Care Management • Service Coordination Unlimited • A Bridge to Independence
